

# Is Your Insurance Copay Too High?

The Missouri Physical Therapy Association (MPTA) and your physical therapist are supporting a bill in the Missouri Senate known as the “fair copay bill”. It would allow you to pay the same copay for physical therapy that you pay when you see your family doctor. If this bill passes it can save you money and help you receive the physical therapy care your doctor prescribed.

## **Take Action!**

**Step 1: Find out who your Missouri State Senator is by clicking this link -**

**[http://www.senate.mo.gov/llookup/leg\\_lookup.aspx](http://www.senate.mo.gov/llookup/leg_lookup.aspx)**

**Step 2: Call 573-751-2000, ask to speak to your Senator and ask him or her to vote “YES” on HB 1134! OR e-mail your Senator – find his or her email by [clicking here](#).**

Need help finding your legislator’s name and contact information? Please ask the clinic staff and they will be happy to assist you.

**This legislation can only be passed with your help. Don’t delay – contact your Missouri State Senator today!**
