

APTA Member Referral Campaign

Participating Components

The following components are participating in the ONE by ONE member referral campaign. What this means is that if a monthly drawing winner, or one of the top recruiters at the end of the campaign, is also a member of any of the following chapters or sections, that chapter or section has agreed to waive 1 year of annual dues for that individual to match APTA waiving 1 year of national dues. There is nothing a referring member needs to do. When a member joins, giving the name and email of the referring member, the system is updated with this information.
