

Aimee B. Klein, PT, DPT, DSc, OCS

Physical therapist and American Physical Therapy Association (APTA) member Aimee B. Klein, PT, DPT, DSc, OCS, is an associate professor in the School of Physical Therapy and Rehabilitation Sciences at the University of South Florida (USF) in Tampa, Florida. Board certified in orthopedic physical therapy, she holds an outpatient appointment at the USF Physical Therapy Center where she specializes in treatment of lower-extremity musculoskeletal dysfunction. Klein's research focuses on the physical therapist's diagnostic process as well as predictors of physical therapy outcomes in patients with lower-extremity musculoskeletal dysfunction. An active member of APTA, Klein has served on APTA's Board of Directors and as chair of APTA's reference committee and the advisory panel on practice, as well as secretary and chief delegate of APTA's Massachusetts Chapter.
