PHOENIX, AZ • JUNE 3–6, 2020

## NEXT 2020 CALL FOR POSTER ABSTRACTS

---

**OPENS:** APRIL 15, 2019

**DEADLINES:** OCTOBER 2, 2019

We look forward to your abstract submissions for the following:

- Research reports: presentations of original scientific data collected by the author(s)
- Special interest reports: presentations of innovative concepts, ideas, devices, or products developed to meet the special needs of patients and clients
- Theory reports: presentations of a theory, idea, concept, or model that describes a foundation for the practice of physical therapy
- Multimedia technology programs: presentations that include demonstrations of computer software or web-based programs for instruction, research, and management

Poster presentations are reports in which information is summarized using brief written statements and graphic materials, such as photographs, charts, graphs, and/or diagrams mounted on a poster board. Posters will be on display throughout the conference. Poster presenters will be assigned a specific day and time to set up their posters, greet and meet with attendees, and dismantle their posters.

Individuals may submit up to 2 abstracts as the presenting author. Unlimited submissions are allowed as a secondary author.

For more information and to access the online submission site visit [APTA.org/NEXT/Submissions](https://www.apta.org/NEXT/Submissions).
