

NEXT APTA Annual Conference & Expo

PHOENIX, AZ • JUNE 3–6, 2020

2020 CALL FOR EDUCATION SESSION AND PRECONFERENCE COURSE PROPOSALS

OPENS: APRIL 15, 2019

DEADLINES: JULY 22, 2019

Be a part of something special when you participate in NEXT 2020, APTA's innovation conference!

NEXT is where speakers can step out of the ordinary. NEXT is about exploring emerging practices in physical therapy. And sharing your expertise and experience in innovative formats.

Topics of interest include:

- Case studies
- Collaboration and teamwork
- Innovative clinical education
- Health and wellness
- Health equity
- Leadership development
- Pain management
- Teamwork
- Unique populations

Proposals are requested for the following:

Education sessions: 1.5-hour sessions designed to provide innovative, active learning; in-depth topics, multiple sessions may be submitted and linked by title

Preconference courses: 1-day courses that provide an in-depth exploration in an area of clinical practice, education, or research

Don't miss out on your chance to highlight emerging new practices and perspectives that will have a direct impact on improving patient outcomes and the future of physical therapy.

For further information and link to the online submission site, visit [APTA.org/NEXT/Submissions](https://www.apta.org/NEXT/Submissions).
