Congratulations to the physical therapist assistants (PTAs) who have achieved APTA’s Recognition of Advanced Proficiency for 2014-2015. These PTAs have met all of the eligibility requirements for recognition, including a minimum of 2,000 hours of clinical experience in the selected category of word, a minimum of 60 hours of continuing education in the past 5 years, and significant contributions to their community and/or the profession. APTA congratulates these individuals for their accomplishment!
