Congratulations to the physical therapist assistants (PTAs) who have achieved the American Physical Therapy Association’s Recognition of Advanced Proficiency for 2015-2016! These individuals have met all of the eligibility requirements for recognition, which include a minimum of 2,000 hours of clinical experience in the selected proficiency area and a minimum of 60 hours of continuing education completed within the past 5 years, as well as significant contributions to the community and profession at large. The American Physical Therapy Association congratulates these individuals for their accomplishment!
