

Improved Access to Physical Therapist Services For Medicaid Beneficiaries

HOD P08-22-14-17 [Position]

To improve health equity, the American Physical Therapy Association supports national, state, and local efforts to expand access to physical therapist services for Medicaid beneficiaries. APTA supports physical therapist services as a mandatory benefit in all Medicaid programs, authorized without administrative delays and barriers at adequate levels to meet patient needs, and paid commensurate with other public and private payers.

Explanation of Reference Numbers:

HOD P00-00-00-00 stands for House of Delegates/month/year/page/vote in the House of Delegates minutes; the "P" indicates that it is a position (see below). For example, HOD P06-17-05-04 means that this position can be found in the June 2017 House of Delegates minutes on Page 5 and that it was Vote 4.
