

APTA Reach 100 Student Membership Challenge 2021 Entry Form

Can Your School Reach 100 During APTA's Centennial?

It's easy to get involved — just submit this entry form with a list of all the students in your program in alphabetical order before March 31, 2021, and APTA will do the rest.

Programs that reach silver, gold, or platinum membership levels prior to Nov. 30 will be entered to win two free registrations for APTA Combined Sections Meeting in 2021. And beginning in December through APTA CSM in February there will be a monthly drawing of students from participating programs who will win items from our [Centennial Store](#).

Several levels of membership qualify for honors:

Platinum	Gold	Silver	Honorable Mention
100% membership	90% membership	80% membership	50%-79% membership

When your program participates in the challenge, you and your classmates qualify to win a variety of prizes. Plus, your program earns a certificate of accomplishment and an electronic web button.

Please provide the following information, along with a roster of student members in alphabetical order and a signature affirming enrollment information from a faculty member. Email this completed form to StudentMembership@apta.org.

Your Name _____ Email _____

School Name _____

_____ # of APTA student members divided by _____ # of students enrolled in your program. Include all PT or PTA classes in your enrollment number to be eligible.

_____ % of enrolled students who are APTA members.

By signing below, I affirm that membership and enrollment figures are accurate.

Your Signature _____ APTA ID: _____

Faculty Signature _____ APTA ID: _____
