

APTA Reach100 Student Membership Challenge 2023 Entry Form

Can Your School Reach100?

It's easy to get involved — just submit this entry form with a list of all the students in your program in alphabetical order before March 31, 2023, and APTA will do the rest.

Programs that reach platinum membership level, prior to March 31st, will receive complimentary access to the core courses of the **APTA Telehealth Certificate Series** for any students or faculty who were not granted access earlier this year. Now through December 31st there will be a **monthly drawing** of students, from participating programs who will one of four **\$100 gift cards** to the [APTA Store](#). Plus, your program earns a certificate of accomplishment and an electronic web button.

Several levels of membership qualify for honors:

Platinum	Gold	Silver	Honorable Mention
100% membership	90% membership	80% membership	50%-79% membership

Please provide the following information, along with a roster of APTA student members in alphabetical order and a signature affirming enrollment information from a faculty member. Email this completed form to membershipdevelopment@apta.org.

Your Name _____ Email _____

School Name _____

_____ # of APTA student members divided by _____ # of students enrolled in your program. Include all PT or PTA classes in your enrollment number to be eligible.

_____ % of enrolled students who are APTA members.

By signing below, I affirm that student memberships and enrollment figures are accurate.

Your Signature _____ APTA ID: _____

Faculty Signature _____ APTA ID: _____
