

CURRICULUM VITAE

KELLEY L. KUBOTA, PT, MS, NCS, CBIS

OFFICE ADDRESS

Rancho Los Amigos National Rehabilitation Center
Department of Physical Therapy
7601 E. Imperial Highway
Downey, CA 90242
(562) 385-6244
(562) 385-6690 fax
e-mail: kkubota@dhs.lacounty.gov

HOME ADDRESS

Long Beach, CA
(562) 243-4540
personal email: kkubota22@gmail.com

EDUCATION

- May 1994 Master of Science, Physical Therapy
Duke University
Durham, North Carolina
- May 1990 Bachelor of Arts, Physical Education and Economics (Double Major)
University of California, Berkeley
Berkeley, California

PROFESSIONAL LICENSE

California Physical Therapist License #20144

PROFESSIONAL CERTIFICATION

- June 2020 Re-Certification - **Neurologic Certified Specialist**, American Board of
Physical Therapy Specialties, American Physical Therapy Association
- June 2010 Certification – **Certified Brain Injury Specialist**, Academy of Certified
Brain Injury Specialists, Brain Injury Association of America
- May 2010 Re-Certification - **Neurologic Certified Specialist**, American Board of
Physical Therapy Specialties, American Physical Therapy Association
- March 2002 Neuro-Developmental Treatment/Bobath Certification, Neuro-
Developmental Treatment Association, Inc.
- February 2000 **Neurologic Certified Specialist**, American Board of Physical Therapy
Specialties, American Physical Therapy Association
- 1999 Credentialed Clinical Instructor, American Physical Therapy Association

PROFESSIONAL EXPERIENCE

Rancho Los Amigos National Rehabilitation Center (RLANRC), Downey, California:

Supervisor (PT Instructor), Medical Surgical Services and Director, Professional Education
Multi-unit PT supervisor (5 physical units, 7 clinical services, 83 beds) for provision of physical therapy services on the Medical – Surgical Services of public hospital in the Department of Health Services of the County of Los Angeles. Supervise PTs, PTAs, rehabilitation therapy technician, rehab associate, and area clerk. Patients range the life spectrum (from young adult through elder adult), and the needs of the patients across these service areas are complex and vary depending on acuity, diagnosis, and prior co-morbidities. Diagnoses are wide-ranging and include, but are not limited to: neurologic disorders (stroke, brain injury, spinal cord injury, Multiple Sclerosis, Parkinson's Disease, and others), orthopedic diagnoses (total joint replacements, amputations (toe, partial foot, below knee, and above knee), cardiac dysfunction, and wound management (patients with spinal cord injury status post flap surgeries).
In role as Director of Professional Education, perform needs assessment, and, based on results, identify topics, themes, and potential speakers for continuing education courses to host at Rancho. Evaluate requests by outside entities to determine if they meet standards for CEU approval; consider hosting if meets a gap identified by executive staff of department.
August 2018 to current

Rancho Los Amigos National Rehabilitation Center (RLANRC) – continued:

PT Supervisor I, Senior Clinician, Adult Brain Injury, Pediatric, and Neurology Services

Area supervisor for PTs, PTAs, and rehabilitation therapy technician. Patients range the life spectrum (from infants through elder adult), and the needs of the patients across these service areas are complex and vary substantially from patient to patient depending on acuity, diagnosis, and prior co-morbidities. Diagnoses are wide-ranging and include, but are not limited to: neurologic disorders (stroke, brain injury, spinal cord injury, Multiple Sclerosis, Parkinson's disease, and others), orthopedic diagnoses (total joint replacements, amputations (below knee, and above knee)).
April 2005 to August 2018

Acting Clinical Manager (as Physical Therapist II), Adult Brain Injury and Neurology Services

Area supervisor for PTs, PTAs, and rehabilitation therapy technician.
Supervise and manage daily operations, provide patient treatment and coverage, mentor new staff and students, prepare productivity reports, and review and approve timecards. Provide supervision, education, training, and mentoring to new and existing staff and students.
February 2003 to March 2005

Neurologic, Pediatric, and Adult Brain Injury Physical Therapy - Physical Therapist II

Functioned in a "float role" as a staff physical therapist on the Neurology, Pediatrics, and Adult Brain Injury Services. Served as student clinical instructor, gait resource educator (for Student Gait Analysis and PTA gait), and participated in Polio Clinic with Jacquelin Perry, MD. Participation in Multiple Sclerosis Clinic to screen patients for admission to inpatient rehabilitation.
August 2000 to February 2003

Adult Brain Injury Physical Therapy - Physical Therapist II

Staff physical therapist, student clinical instructor, and gait resource educator (for Student Gait Analysis and PTA gait) on the Adult Brain Injury Service (general adult, Polio Clinic with Jacquelin Perry, MD).
April 1998 to July 2000

Adult Spinal Injury Physical Therapy - Physical Therapist I

Staff physical therapist and student clinical instructor on the Spinal Injury Service (general adult, women, geriatrics, pressure ulcer management, Polio Clinic with Jacquelin Perry, MD).
September 1994 to April 1998

Adolescent Spinal Injury Physical Therapy - Physical Therapist I

November 1995 to April 1996, December 1996 to December 1997

Pressure Ulcer Management Service - Physical Therapist I

Staff physical therapist on the Pressure Ulcer Management Service (individuals post-flap surgery)
In this role provided education and training for how to protect skin following surgical procedures. Included education and training for optimal pressure relief given level of spinal cord injury and parameters for functional activities and time up in wheelchair.
May 1995 to November 1995

Rancho Research Institute (RRI), Downey, California:

Research Physical Therapist

Blinded evaluator for SCI Model System Site Specific Research —"A Randomized Clinical Trial to Evaluate Two Prevention Programs for Maintenance of Shoulder Health and Function after Spinal Cord Injury." (Principal Investigator, Sara J. Mulroy, PT, PhD, Downey, CA)
March 2014 to December 2017

Research Physical Therapist

Senior Clinician for field-initiated development project (NIDDR / NIDILRR # H133G100268) - Modular Orthoses Prescription System (MOPS). (Philip Requejo, PhD, Co-Principal Investigator, Sara J. Mulroy, PT, PhD, Co-Principal Investigator, Downey, CA). In this role provide education on the use of the Rancho Gait App and Rancho R.O.A.D.M.A.P. Bracing Decision-Making Algorithm across the country.
October 2010 to August 2015

Rancho Research Institute (RRI), Downey, California:

Physical Therapist

Physical therapist for Phase IIa Clinical Trial: XenoPort and MDS Pharma Services SP-B-065 (IND# 77, 434): Multiple Dose Efficacy and Safety Study of XP19986 in Subjects with Spasticity Due to Spinal Cord Injury. (Michael S. Leong, Medical Director, XenoPort, Inc.).
November 2007 to April 2009

Physical Therapist

Physical therapist for Rehabilitation Engineering Research Center (RERC) on Technologies to Enhance Mobility and Function for Individuals with Spinal Cord Injury. Project 5: Gait Training Robotic Assist Device - NIDRR grant H133E020732. (David Reinkensmeyer, PhD, Primary Investigator, University of California, Irvine).
November 2005 to September 2007

Physical Therapist

Physical therapist for A Phase II, Double-blind, Placebo-controlled, Multicenter Study to Assess The Efficacy and Safety of HP184 at 100, 200, and 400 mg Doses Administered Orally Once Daily for Twenty-four Weeks in Adult Subjects with Chronic Spinal Cord Injury (CSCI). (Vip Mody, MD, Project Team Leader, Aventis Pharmaceuticals), Aventis Pharmaceuticals Protocol HB184B/2002.
September 2004 to February 2006

Physical Therapist

Physical therapist for Locomotor Therapy Trial for Spinal Cord Injury (Bruce H. Dobkin, MD, Principal Investigator, University of California, Los Angeles); NIH/NICHD/NCMRR U01HD37439.
December 1999 to June 2003

Physical Therapist / Coordinator

Site coordinator (Rancho Los Amigos National Rehabilitation Center) and physical therapist for Locomotor Therapy Trial for Spinal Cord Injury (Bruce H. Dobkin, MD, Principal Investigator, University of California, Los Angeles); NIH/NICHD/NCMRR U01HD37439.
March 1999 to November 1999

Mt. St. Mary's University, Los Angeles, CA:

Part-Time Faculty, Doctor of Physical Therapy Program

Lead Instructor/Educator for PT 467: Gait, Orthotics, and Prosthetics, a 3 unit semester University course in the Doctor of Physical Therapy program. Course focus on Normal and Pathologic Gait as well as UE/LE Orthotics Theory and Application, and UE/LE Prosthetics Theory and Application. Responsible for educational goals and course objectives, teaching (including lectures and labs) as well as writing and overseeing the exams for the course. Supervised overall management of the course as prosthetics component taught by another physical therapist professional.
Spring Semester 2008 – 2013

HONORS AND AWARDS

2019	Duke University Doctor of Physical Therapy Program Distinguished Alumni Award
2015	Joseph F. Dowling Memorial Distinguished Service Award, Professional Staff Association, Rancho Los Amigos National Rehabilitation Center
1993	National AMBUCS Scholarship
1985-1990	University of California Alumni Scholar

PRESENTATIONS / LECTURES (Education and Instruction provided nationally and internationally)

Kubota, K., Weiss, W. Rancho Observational Gait Analysis. Invited (by host chapter) one-day pre-conference course as part of Combined Sections Meeting of the American Physical Therapy Association, San Diego, CA. February 2023.

Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2022.

Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2022.

Kubota, K. RanchoGait including RanchoGait App. Invited lecture as a part of the conference, "An Interprofessional Approach to the Management of Individuals with Brain Injury, presented by Rancho Los Amigos National Rehabilitation Center in collaboration with the Rancho Research Institute and the Rancho Los Amigos Foundation, Downey, CA. June 2022.

Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2021.

Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2021.

Kubota, K. The Essentials of Normal Gait. Invited webinar for PT staff of Live Your Live Physical Therapy LLC., Minneapolis, MN. June 2021.

Kubota, K. Orthotics for Dummies. Invited lecture as a part of the conference, CPTA Student Conclave, hosted by Azusa Pacific University, Azusa, CA. March 2020.

Kubota, K. Rancho Gait Review: Pathologic Gait. Invited lecture for physical therapy students and professors from Tokyo (Japan) Medical College. Downey, CA. November 2019.

Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2019.

Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2019.

Kubota, K. The Essential Elements of Normal Gait with an Introduction to a Decision-Making Algorithm for Orthotic Prescription. Invited lecture for the University of New Mexico Distinguished Lecture Series, Albuquerque, NM. May 2019.

Kubota, K. Rancho Gait Review: Pathologic Gait. Invited lecture for physical therapy students and professors from Tokyo (Japan) Medical College. Downey, CA. November 2018.

PRESENTATIONS / LECTURES – continued

- Kubota, K. Rancho Gait Review with An Introduction to the Rancho R.O.A.D.M.A.P. Invited lecture for the University of Dayton Doctor of Physical Therapy Program. Advancing Mobility with Advanced Technologies and Timeless Principles. November 2018.
- Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2018.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2018.
- Kubota, K., Eberly, V., Mulroy, S.J., Requejo, P. Utilization of an Interactive, Educational Smartphone/Tablet “App” to Teach and Review Gait Analysis (RanchoGait) and Orthotic Decision-Making (Rancho R.O.A.D.M.A.P.). Platform Presentation for the Education Section of APTA for 2018 APTA Combined Sections Meeting. New Orleans, LA. February 2018.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis. One-Day Continuing Education Workshop at Rancho Los Amigos National Rehabilitation Center, Downey, CA. November 2017.
- Kubota, K. Rancho Gait Review with An Introduction to the Rancho R.O.A.D.M.A.P. Invited lecture for the University of Dayton Doctor of Physical Therapy Program. Advancing Mobility with Advanced Technologies and Timeless Principles. November 2017.
- Weiss, W., Kubota, K. Rancho Observational Gait Analysis for Targeted Treatment and Maximal Recovery for Individuals with Neurologic Impairment. Invited by PTWA (Physical Therapy Association of Washington) for 2017 PTWA Conference, Two-Day Continuing Education Course, SeaTac, WA. October 2017.
- Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2017.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2017.
- Kubota, K. Rancho Observational Gait Analysis: The Rancho R.O.A.D.M.A.P., and Targeted Interventions for Individuals with Neurologic Involvement. Invited by Stanbridge University Physical Therapist Assistant Program, 1.5 Day Continuing Education Course for Clinical Instructors for PTA Students from Stanbridge University. Irvine, CA. June 2017.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited by Nebraska Physical Therapy Association for Nebraska State Physical Therapy Association Spring Conference, Two-Day Continuing Education Course, Kearney, NE. April 2017.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairment. Invited by Cottage Rehabilitation Hospital, Two-Day Continuing Education Course, Santa Barbara, CA. March 2017.
- Kubota, K. Rancho R.O.A.D.M.A.P: AFO/KAFO Decision-Making. Lecture for Physical Medicine and Rehabilitation Residents. RLANRC. Downey, CA. March 2017.
- Kubota, K. Rancho Gait Review: Phases and Critical Events. Lecture for Physical Medicine and Rehabilitation Residents. RLANRC. Downey, CA. March 2017.
- Kubota, K., Eberly, V., Requejo, P., Mulroy, S., Rodriguez, D., Maneekobkunwong, S., Williams, C. Ongoing Progress in an Interactive Smartphone / Tablet “App” to Review Rancho Gait and Use of an Algorithm to Guide Orthotic Decision-Making (Rancho R.O.A.D.M.A.P.). Poster presentation at the Combined Sections Meeting of the APTA. San Antonio, TX. February 2017.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairment. Invited by California Physical Therapy Association (CPTA). Two-Day Continuing Education Course, Sacramento, CA. November 2016.
- Kubota, K., Danan, I., Williams, V., Kim, S., Gerona, C., Moreno, C., Ivey, C., Schwartz, J., Burke-Doe, A., Byl, N. CAL-PT-FUND and CPTA Research Symposium: Concussion and Brain Injury. Invited by California Physical Therapy Association (CPTA) to participate in a Two-Day Continuing Education Course, Long Beach, CA. November 2016.
- Kubota, K. Rancho Normal Gait. Invited lecture for physical therapy students and professors from Tokyo (Japan) Medical College. Downey, CA. November 2016.
- Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2016.

PRESENTATIONS / LECTURES – continued

- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2016.
- Kubota, K., Tibbetts, C. The Art of Communication: Make a Connection to Quickly Establish Trust for a Successful Partnership with Your Patients. Invited lecture for the CPTA California Student Conclave, San Diego, CA. April 2016.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairment. Invited (by California Chapter (CPTA) of the American Physical Therapy Association (APTA)) Two-Day Pre-Conference Course at the Combined Sections Meeting of the APTA, Anaheim, CA. February 2016.
- Kubota, K., Weiss, W. Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2015.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2015.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis: Maximizing Gait Outcomes through Targeted Interventions for Individuals with Neurologic Impairments. Invited two-day workshop sponsored by the Golden Gate District of the California Physical Therapy Association, San Francisco, CA. May 2015.
- Kubota, K., Eberly, V., Requejo, P., Mulroy, S. Progress in the Development of an Interactive Smartphone / Tablet "App" to Teach / Review Rancho Normal Gait and the Problem Solving Approach: Pathologic Gait and MOPS Brace Modules. Poster presentation at the Combined Sections Meeting of the APTA. Indianapolis, IN. February 2015.
- Kubota, K. The Ongoing Debate of "To Brace Or Not To Brace". Invited presentation for the California Physical Therapy Association Annual Conference. Oakland, CA. October 2014.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2014.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2014.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited two-day workshop sponsored by the Golden Gate District of the California Physical Therapy Association, Berkeley, CA. April 2014.
- Kubota, K., Eberly, V., Requejo, P., Mulroy, S. Development of an Interactive Smartphone / Tablet "App" to Teach / Review Rancho Normal Gait and the Problem Solving Approach. Platform presentation, Combined Sections Meeting of the APTA., Las Vegas, NV. February 2014.
- Kubota, K., Weiss, W. Rancho Observational Gait Analysis. Two invited webinars as part of the Mr. Presenter Series, Lite Gait Education. November 2013.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. August 2013.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2013.
- Kubota, K. Rancho Gait: Essential Elements and Critical Events. Inservice for physical therapy department staff, RLANRC, Downey, CA. June 2013.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited two-day workshop sponsored by the Golden Gate District of the California Physical Therapy Association, Berkeley, CA. April 2013.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited two-day workshop sponsored by the California Physical Therapy Association, Los Angeles, CA. November 2012.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2012.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2012.
- Kubota, K., Eberly, V., Requejo, P. Clinical Decision-Making Algorithm for Orthotic Prescription: Current Applications and Future Developments. Workshop for 2012 Rehabilitation Engineering and Assistive Technology Society of North America (RESNA) Annual Conference, Baltimore, MD. July 2012.

PRESENTATIONS / LECTURES – continued

- Kubota, K. Observational Gait Analysis and Orthotic Decision-Making for Clients with Neurologic Impairments. Invited 1 ½ day continuing education course for physical therapists, physical therapist assistants, and orthotists. Bonner General Hospital, Sandpoint, ID. October 2011.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2011.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. July 2011.
- Kubota, K. Rancho ROADMAP: Guidelines for Orthotic Decision-Making in NeuroRehab. Invited professional presentation as part of Congreso Nacional de Alta Especialidad en Medicina de Rehabilitacion y Terapias. Puerto Vallarta, Mexico. May 2011.
- Kubota, K. Rancho Gait Review with an Emphasis on Individuals with Brain Injury. Invited professional presentation as part of Congreso Nacional de Alta Especialidad en Medicina de Rehabilitacion y Terapias. Puerto Vallarta, Mexico. May 2011.
- Kubota, K. Flexed Posture Gait and Potential Interventions. Invited Guest Lecture for Advanced Neurologic Physical Therapy Course at Mt. St. Mary's College Doctor of Physical Therapy Program, Los Angeles, CA. January 2011.
- Kubota, K., Weiss, W. Gait and the Rancho ROADMAP: Maximizing Outcomes for Clients with Neurologic Impairments. Invited lecture/lab as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. November 2010.
- Kubota, K., Weiss, W. Rancho Gait Review: Phases and Critical Events. Invited webinar as part of the Neurologic Physical Therapy Professional Education Consortium, Los Angeles, CA. November 2010.
- Kubota, K. Flexed Posture Gait and Potential Interventions. Invited Guest Lecture for Advanced Neurologic Physical Therapy Course at Mt. St. Mary's College Doctor of Physical Therapy Program, Los Angeles, CA. January 2010.
- Kubota, K., Weiss, W., Eberly, V. Observational Gait Analysis: Maximizing Gait Outcomes for Clients with Neurologic Deficits. Two Day Pre-Conference Course at the Combined Sections Meeting of the American Physical Therapy Association, Las Vegas, NV. February 2009.
- Kubota, K. To Brace or Not to Brace: Making Evidence-Based Decisions With Our Clients with Neurologic Impairments. Continuing Education course in Portland, OR for Allied Health Professionals. January 2007.
- Eberly, V., Kubota, K., Weiss, W. To Brace or Not to Brace: Making Evidence-Based Decisions With Our Clients with Neurologic Impairments. Invited presentation at the Combined Sections Meeting of the American Physical Therapy Association, San Diego, CA. February 2006.
- Chavez, M., Kubota, K. Traumatic Brain Injury. Invited lecture for Doctorate of Physical Therapy students at Chapman University. Orange, CA. June 2005.
- Kubota, K. Normal and Pathologic Gait Workshop. Invited 1 ½ day continuing education course on gait for physical therapists. Portland, OR. November 2004.
- Godinez, M., Kaplan, S., Kubota, K. Management of the Person with Spinal Cord Injury. Invited 3-day workshop training (lecture/lab) for physical and occupational therapists. (Topics: Seating and Positioning, Wheelchair Propulsion Techniques and Updates on Research in Shoulder Function, Functional Expectations According To Level of Lesion, Respiratory Assessment, Respiratory Muscle Training Research, Functional Skills/Expected Outcomes for Persons with Tetraplegia, Advanced Wheelchair Skills, Ambulation: Expected Outcomes, Prognosis, and Orthoses, FES Bike). Tan Tock Seng Rehabilitation Center, Singapore. August 2004.
- Kubota, K. Living it Up! After Spinal Cord Injury: Public Forum. Invited lecture (Wheelchair Sports Scene and Development in the USA, Sexuality after Spinal Cord Injury) for disabled community in Singapore and workshop participants of Management of the Person with Spinal Cord Injury. Tan Tock Seng Hospital, Singapore. August 2004.
- Kubota, K. Spinal Cord Injury and Traumatic Brain Injury: Acute Phases to Functional Outcomes. Invited 7.5 hour Continuing Education Course for PTs, PTAs, OTs, COTAs. Portland, OR. April 2000.
- Kubota, K., Furumasu, J., Mulroy, S.J., Criteria for Orthosis Selection in Ambulatory Persons with Spinal Cord Injury. Platform Presentation at the Combined Sections Meeting of the American Physical Therapy Association, New Orleans, LA. February 2000.
- Kubota, K., Muscle Strength and Proprioception in Ambulatory and Non-ambulatory Spinal-Injured Patients / Criteria for Orthosis Type in Ambulatory Persons with Spinal Cord Injury. Invited lecture to Physical Therapy Students (with Rehabilitation Major) at Chapman University, Orange, CA. May 1998.
- Kubota, K., Furumasu, J., Mulroy, S.J., Criteria for Orthosis Type in Ambulatory Persons with Spinal Cord Injury. Paper Presentation at the American Spinal Injury Association Annual Scientific Meeting, Cleveland, OH. April 1998.

PROFESSIONAL LEADERSHIP / SERVICE

2022 - 2023	Course Director, Planning Committee “The Inaugural Sara J. Mulroy Spinal Cord Injury Symposium – Optimizing Readiness for Rehab: An Interprofessional Approach” Coordinate and plan interprofessional conference including securing speakers from multiple professions. Apply for CME/CEU credits. Secure funding from sponsors. Manage facility needs to host course.
2022	Graduate, Quality Academy Program, Wave 11 Department of Health Services, County of Los Angeles program aimed at developing individual capability in health care professionals and organizational capacity for quality improvement initiatives.
2022	LAMP Leadership 201: Advanced Leadership Development: The Catalyst for Leading Others. Leadership course focused on skills for effective leadership of others.
2022	TOP Program – Reaching for the TOP – Transforming the Organization through People Learning experience sponsored by the Los Angeles County Department of Health Services designed to create a culture of psychological safety and improved teamwork. Aimed at developing transformational leaders.
2021	LAMP Leadership 101: Advanced Leadership Development: The Catalyst for Leading Others. Leadership course focuses on individual development in preparation for leading others.
2021 - present	Vice President and Speaker of The Assembly (Elected) to 3-year Term Chapter Board California Physical Therapy Association Participate in strategic planning goals and implementation for the CPTA. As Vice President, member of the Executive Committee (President, Vice President, Finance Officer)
2021 - present	Chairperson and Board Liaison, Reference Committee California Physical Therapy Association Receives and reviews motions and resolutions to be presented to the Assembly of Representatives and provides consultation, guidance, and direction
2019 - present	Member (invited), External Communication SPA Rancho Los Amigos National Rehabilitation Center Review, discuss, and set strategic goals related to external communication, market Rancho at difference conferences to raise awareness of services offered to the community at the local, state, and national level.
2019 - present	Member (invited), Med – Surg Council Rancho Los Amigos National Rehabilitation Center Interprofessional committee brought together to address service issues including outcomes, expected practices, and operations.
2019 - 2022	Director, Steering Committee “An Interprofessional Approach to the Management of Individuals with Brain Injury” Rancho Los Amigos National Rehabilitation Center Coordinate and plan interprofessional conference including identifying, securing speakers from multiple professions. Secure funding from sponsors. Manage facility needs to host course. Initially planned for 2020 and deferred due to pandemic.

PROFESSIONAL LEADERSHIP / SERVICE – continued

- 2018 - 2022
Member (invited), Internal Communication SPA
Rancho Los Amigos National Rehabilitation Center
Review, discuss, and set strategic goals to enhance communication within facility. Facilitate discussions amongst all staff to increase awareness strategic goals including progress and daily operations. Perform survey analysis for preferred methods of receiving information from within (the hospital) and outside (The County of Los Angeles).
- 2018 - 2022
Chairperson (Appointed) and Board Liaison
CPTA Rose Parade Float Task Force
California Physical Therapy Association
Led and collaborated with other task force members, Districts, Special Interest Groups, Chapters, Sections, and outside entities to work on fundraising, planning, and sponsoring a Float in the 2021 Tournament of Roses Parade celebrating APTA's 100th Birthday (Centennial) in 2021. Project postponed due to pandemic. Raised over \$300,000 for the CPTA Centennial Float which appeared in the 2022 Rose Parade. Awarded Grand Marshal Trophy for "Most Outstanding Creative Concept and Float Design".
- 2019
Director, Planning Committee
"Wheelchair Seating, Mobility, and Assistive Technology: Putting the Parts Together"
Rancho Los Amigos National Rehabilitation Center
Coordinated a 1.5 day seating and positioning continuing education course aimed at a wide audience (physical therapists, physical therapist assistants, occupational therapists, occupational therapist assistants, assistive technology providers (ATPs), etc. CEUs provided. Identified instructors and collaborated on executing the course.
- 2018 - 2020
2021 - present
Member (Appointed) – 3 year Term
CPTA Membership and Communications Committee
California Physical Therapy Association
CPTA Board Liaison, 2018-2020, 2021-2022
Plan membership campaign and activities for the California Chapter of APTA. Enhance communication between all levels of CPTA. Establish membership recruitment goals.
- 2018 - 2020
Director (Re-elected) to 3-year Term
Chapter Board
California Physical Therapy Association
Participate in strategic planning goals and implementation for CPTA.
- 2017 - 2021
Member (Appointed)
APTA Centennial Steering Committee
American Physical Therapy Association
