Proaxis Therapy Orthopedic Residency Program

The Proaxis Therapy Orthopedic Residency Program offers residents the opportunity to interact and train with some of the leading clinicians and researchers in the field of orthopedic physical therapy. The residency's goal is to train physical therapists to become an integral part of the orthopedic medical team, working alongside top notch physicians from a variety of medical specialties as part of a multi-disciplinary approach of assisting patients in returning to their full potential. Our motto is *"Don't Just Recover. Conquer."*
