ABOUT THE SECTION

The Cardiovascular and Pulmonary Section serves its members, the physical therapy profession, and the community by promoting the development, application, and advancement of cardiovascular and pulmonary physical therapist practice, education, and research. The section is a resource for members of the physical therapy profession who provide rehabilitation and/or health, wellness, and prevention services to individuals at risk for or diagnosed with movement dysfunction related to the cardiovascular or pulmonary systems.

WHY YOU SHOULD JOIN

Many valuable resources are available to members of the Cardiovascular and Pulmonary Section, such as:

- **Cardiopulmonary Physical Therapy Journal**, which delivers cutting-edge research, accessible in print and on the section’s website only to section members
- Collaboration and dialogue with peers on the section’s email discussion listserv
- Regular updates and information through the section’s quarterly e-newsletter
- Discounts on educational resources, programming, and event registrations, including APTA’s Combined Sections Meeting
- Eligibility for volunteer board and committee positions
- Resources to help you prepare for the Cardiovascular and Pulmonary Certified Specialist exam
- Access to the section’s grant program for research funding
- Eligibility for section awards recognizing significant contributions in the areas of research, mentoring, and distinguished service
- Information about residencies and fellowships
- Section referrals for media interview requests and speaking opportunities at conferences

JOIN NOW!

If you are a PT, PTA, or student with an interest in working in the areas of prevention/health and wellness, or in working with individuals of all ages who are at risk of or diagnosed with cardiovascular or pulmonary impairments, this section is for you! Membership in the section is open to ALL current APTA members. Whether you’re an experienced professional or a student interested in learning more, the section welcomes your expertise, enthusiasm, and support.
