ABOUT THE SECTION

The Academy of Hand and Upper Extremity Physical Therapy promotes rehabilitation of the hand and upper extremity within the profession of physical therapy, the medical community, and the general public. It is dedicated to mentoring, educating, promoting research, and responding to the ever-changing needs and interests of its membership. Members have access to information on clinical techniques and treatment guidelines as well as practice, reimbursement, and legislative updates.

Membership in the academy enables APTA members who share interest in hand and upper extremity physical therapy to network and promote current concepts in hand and upper extremity rehabilitation.

WHY YOU SHOULD JOIN

Take advantage of the many valuable professional resources available to members:

- Discounts on education, resources, and event registration
- Subscription to Hand Prints electronic newsletter
- Access to archived Hand Prints and other clinical resources
- Discounted subscription to Journal of Hand Therapy
- Leadership development opportunities within the academy
- Networking with peers on the academy’s e-community
- Access to seed funding for hand and upper extremity research projects
- Discounted registration for APTA’s Combined Sections Meeting
