If you are not eligible for APTA membership, the Academy of Pediatric Physical Therapy (APPT) also offers the Partners Program. Partners are eligible for many of the benefits of academy membership and can include other pediatric professionals, international physical therapists, physical therapist assistants, and business organizations. For more information visit [www.pediatricapta.org](http://www.pediatricapta.org), and click on Join Us.

ABOUT THE SECTION

The mission of the Academy of Pediatric Physical Therapy (APPT) is to advance pediatric physical therapy through excellence in advocacy, education, and research. Our vision is to optimize movement for lifelong meaningful participation of all children.

WHY YOU SHOULD JOIN

There are many valuable professional resources available to members of APPT, including:

- Print, online, and podcast access to APPT’s quarterly journal, *Pediatric Physical Therapy*
- Access to grants to support pediatric clinical research, both through APPT and through the Pediatric Fund of the Foundation for Physical Therapy
- Access to a variety of scholarships to support pediatric certified specialization, PTA Advanced Proficiency Pathways, diversity development, student and new professionals’ attendance at APTA’s Combined Sections Meeting, and the APPT annual conference
- Access to resources to support becoming a pediatric certified specialist
- Access to grants to support the pediatric residency/fellowship credentialing process
- Collaboration and dialogue with other APPT members through our online community and social media outlets
- Career advice and support through the APPT mentorship program
- Discounts on APPT’s continuing education offerings, including APPT’s annual conference and online partner courses through APTA’s Learning Center
- Eligibility to further your professional growth through volunteer leadership positions
- Monthly newsletters on the latest happenings in pediatric physical therapy
- Membership in the World Confederation of Physical Therapy’s International Organization of Pediatric Physical Therapists

APPT membership also gives you free access to any or all of our special interest groups: Academic and Clinical Educators, Adolescents and Adults With Developmental Disabilities, Early Intervention, Hospital-Based Physical Therapy, Neonatology, Pediatric Sports-Fitness, and School-Based Physical Therapy.
