As the next generation of physical therapists and physical therapist assistants, you are forging your path in the profession. As an APTA student member, you will have resources to learn what to expect during clinical rotations, what specialty areas exist, and how to manage student loans. You are investing in your education, now invest in your community and grow beyond the classroom.

1. Connect with 30,000 fellow students in the APTA Student Assembly and take advantage of APTA Engage for opportunities to connect locally.

2. Take advantage of offers and discounts on hotels, car rentals, insurance, and more through APTA's Member Value Programs.

3. Membership discounts of up to 50% for new grads.

4. Save up to 40% on APTA's national conferences: National Student Conclave, Combined Sections Meeting, and NEXT Conference and Exposition.

5. Easy access to top research in APTA's journal, Physical Therapy (PTJ) online and APTA's professional issues award-winning PT in Motion magazine.

6. Student Assembly Pulse—news for physical therapy students—delivered straight to your inbox.

7. Access to customized financial education resources and student loan refinancing options through APTA's Financial Solutions Center providers.

8. Year-round advocacy to promote physical therapist services and issues important to you, your fellow students, and your future patients.

9. Access to the latest evidence and research through PTNow's Rehabilitation Reference Center and ArticleSearch.

10. Search the latest job openings and upload your resume using APTA's comprehensive database of jobs related to physical therapy.
